## **REPORT OF SPORTS COMMITTEE**

Aimed at an all-round development of students, the college lays special emphasis on sports and games. With facilities for sports like cricket, basketball, volley ball, football, table tennis and chess available on the campus itself, students are motivated to play for recreation and physical activity; as well as to represent the college at different competitions at various levels. Students of the college have participated at international levels for sports like swimming, skating, chess and cricket.

It is said that a healthy mind develops only in a healthy body. For the proper development of youth along with studies the activity of Sports and Games is also equally important.

The college has a rich history of Sports, Students Activities are not only well planned but they are well prepared and enough motivated. The students proficient in sports and extra-curricular activities are not only awarded and appreciated but they are given partial or complete fee waivers. The college is performing remarkably well in its sports activities. The Sports In-charge, in support with the college administrative and teaching staff, is taking care of the college sport. The college sports persons are representing our college at university Inter - zonal Levels, University Levels and Inter-University Levels. Our sportsmen are representing our college at the state level and Inter-state level also. We have very good sports complex which includes

We at the college firmly believe that besides regular teaching, other activities like sports and games facilitate the overall growth of the personalities of the students. These not only bring about physical and mental development, but also inculcate in the students qualities like confidence, competitiveness, leadership, team spirit and sportsmanship. This is primarily the reason why much importance is given to sports activities in the college

The college IQAC cell has greatly influenced promotion to sports activities in the college. The Sports committee has planned major sports activities to be organized throughout the academic year. The college students are guided to participate in various sports activities inter college and inter university sports activities organized by the college in the area and by the University. The students are encouraged, motivated for more number of participation in the sports activities. The most important reason behind organizing all these events is to find out raw talent in sports and bring out their quality and strength in the field of sports and are encouraged to participate at University level to get recognition in the field of sports.
