Report of Counselling Cell

Report (June – 2017 June - 2018)

The College has a functional Personal Counselling Cell where the students can feel free to contact designated counsellors to share their personal problems and to its solution. The Cell supports students in various problematic situations including but not restricted to stress, confusion, conflicts, worry, anxiety, depression, grief, etc. Personal counselling is also helpful for a variety of reasons like coping with major life challenges, dealing with childhood trauma, self- improvement and reaching a greater self-understanding. The college has formed Counseling Committee. Though all the members of the college staff are not the members of the counseling committee yet they all are always ready to help the students. The purpose of the Counseling Committee is to counsel the students if they face any difficulty during any kind of activity related to admission, enrollment and examination. The students are given proper counseling from the very beginning of the academic year. The students who are enrolled in the first year of the college face many problems regarding syllabus, reading materials, books and examination pattern. They are guided by all the faculty and staff members for all such issues. The first year students are guided in many ways by all the faculties in the class during their welcome day in the first term of the first year B.A. The students are always guided properly by the principal, all the faculty members, and administrative staff at any time. They are properly guided for maximum use of library resources regarding syllabus contents, books, recommended books, reference books etc. The purpose of all the college faculty and staff is to co-operate the learners at any stage and any time in the need of the learners
